2024 GOLF FUNDRAISER

Your company's sponsorship is crucial to the ongoing operations of Credo Christian Elementary and Middle School. All tournament proceeds go towards the school's capital fund. This means your sponsorship allows the school to pay for things like Smart Boards and computers for the classrooms, grass field maintenance, replacement lighting, classroom updates and repairs, and much more!

Thank you for prayerfully considering our request to support the CCES 2024 Golf Fundraiser.
