

70 YEARS of
REFORMED
EDUCATION
PASS THE PROMISE
1975-1985

Third in a series of seven inserts commemorating 70 years of Reformed education.

Have you not known?
Have you not heard?
The Lord is the everlasting God,
the Creator of the ends of the earth.

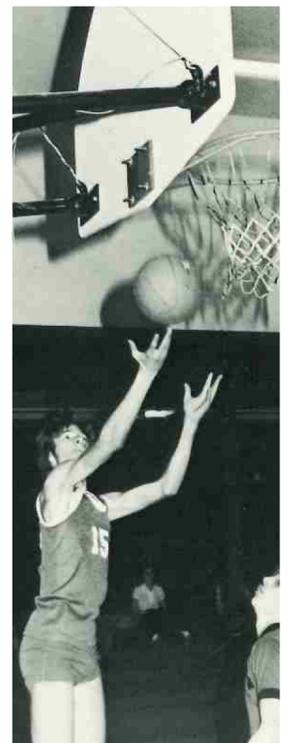

Isaiah 40:28a

In 1978, Credo Christian High School was established to provide education from grades 8 to 12. The first ever CCHS yearbook features Isaiah 40:28a on the front page, overlaid on the above image of the rented school building. In the principal's message that follows, Mr. Peter Blom wonders how long it takes for a school to 'become of age.' He concludes that this will happen when our future is under the "grace of God which has appeared for the salvation of all men, training us to renounce irreligion and worldly passions, and to live sober, upright, and godly lives in this world." In order to come 'of age' all these decades later, we pray that we continue to be transformed by a living relationship with our everlasting God, the Creator of the ends of the earth. May this transformation equip us to pass the promise on to our children and to future generations!
